WORK EXPERIENCE

Video Producer

NJ.com/The Star-Ledger

01/2020 - Present

Achievements/Tasks

- Produce documentary and feature-style videos from concept to final delivery including pitching, scripting, field production, directing, and editing.
- Creator and lead producer of original video series *NJ All Day* and *It Was Filmed in Jersey*, spotlighting culture, film history, and local storytelling.
- Edit digital-first videos for breaking news, cultural features, and evergreen content.
- Collaborate with newsroom editors and reporters to translate editorial stories into compelling visual narratives.
- Direct interviews and on-camera talent while managing field shoots and production logistics.

Video Production Coordinator

Kidz Bop

05/2019 - 09/2019

Achievements/Tasks

- Managed production logistics including scripts, shot lists, call sheets, and scheduling for music video shoots.
- Coordinated post-production workflows and worked directly with freelance editors to deliver final content.
- Directed and produced music video productions.

Coordinating Producer

Nameless Network

02/2018 - 05/2019

Achievements/Tasks

- Produced and directed digital video projects from development through final edit.
- Managed on-set production including talent coordination, casting calls, and production schedules.
- Led creative development of scripts and video concepts for digital distribution.

Production Assistant

Cheddar

09/2017 - 02/2018

Achievements/Tasks

- Assisted production teams on field and studio shoots.
- Wrote scripts and treatments for digital video segments.
- Maintained production calendars, equipment coordination, and call sheets.
